

MDI Gurgaon witnesses yet another year of exceptional placements for the class of EPGPM 2014-2015. Leading corporates across Industries participated in large numbers offering exciting roles. The placement process has been successfully completed with students placed across various functions of their choice.

The roles offered to the class of 2015 included Director, Country Head, VP, AVP, Plant Head, GM, Product Manager, Senior Consultant, Business Development Manager, Project Manager, Deputy Manager and Analytics Manager. The roles were offered for functions such as IT/ITES, Strategy, Manufacturing, Banking, Consulting, Operations, Marketing, Sales, Business Development, Supply Chain, Quality assurance and Analytics.

A significant increase in the number of new recruiters and a rise in average CTC by 10% show the increasing faith of the recruiters in the talent pool with an average work experience of 7.5 years that EPGPM offers.

### CONSULTING

Continuing with what was seen during previous placements, consulting emerged as the forte of MDI Gurgaon. Various roles in management, business, IT & technology consulting were offered. Some of the prominent recruiters were TCS, HCL, INFOSYS, NISG, E&Y, etc.

### STRATEGY

Significant percentage of students with work experience in IT/ manufacturing/FMCG/banking helped to attract several companies in the area of strategy including GENPACT, ATOS, Developers Group, LIBSYS, ShopClues, Cheers Interactive Private Limited and so on.

## OPERATIONS

Number of companies in operations domain rose significantly. Operations had 21 % of overall offers in different areas such as project management, supply chain management, procurement, logistic, product development and manufacturing. Roles were offered by L&T, Dell, British Telecom, Ecolibrium Energy, Amazon Talbros, Apollo Life and so on.

## SALES, MARKETING AND BUSINESS DEVELOPMENT

Close to 15% of the batch opted for offers in sales, marketing and business development. The roles were offered by some of the majors like DOC, CRIF, FIS, Persistent Computers, SIF, HCL Infosystem, etc.

## FINANCE

The talented batch picked up offers from top league financial players that included Hero Finance, GE-SBI cards among others. Offers were received across functions such as corporate banking and corporate finance.
