Discussion on
Artificial Intelligence (AI) in Government: Implications for Government Performance Management

Thursday, October 19, 2023
(9:00 AM, Washington, DC, USA, 2:00 PM London, UK,
6:30 PM Delhi, India, 12:00PM Midnight Australia)

The Commonwealth Hub for the Business of Government is organizing a Commonwealth-wide lecture in a joint collaboration with the School of Public Policy and Governance, Management Development Institute (MDI), India, and the IBM Center for the Business of Government, Washington, DC, USA.

Chief Guest for Inaugural
Rt Hon Patricia Scotland KC
Commonwealth Secretary General

Speakers:
Dr. Kevin C. Desouza of the Queensland University of Technology
Dr. Gregory S. Dawson of the Arizona State University

The discussion is based on their recently published research monograph for the IBM Center for the Business of Government, Washington, and titled: Pathways to Trusted Progress with Artificial Intelligence.

List of other Speakers:

Prof. Luis Franceschi, Assistant Secretary General, Commonwealth Secretariat,
Mr. Daniel Chenok, Executive Director, IBM Center for the Business of Government,
Prof. Avanish Kumar, Dean, School of Public Policy and Governance, MDI,
Nicholas Flood, Vice President IBM Technology & Country Leader IBM Australia
Prof. Prajapati Trivedi, Distinguished Professor MDI and Commonwealth Secretary-General's Special Envoy for SDG Implementation.
