

8th Annual Global Convention 2025 hosted at MDI Gurgaon

New Delhi (Agency): The Annual Global Convention Event 2025 hosted at Management Development Institute Gurgaon with great success. Under the theme “Accelerating Growth,” this 24-hour event united entrepreneurs, investors, industry leaders, and innovators to stimulate collaboration, explore growth strategies, and celebrate the spirit of entrepreneurship. This event also marked the

announcement of the MDI AccelCube (MAC), an incubation centre designed to nurture start-ups and innovation, reflecting MDI’s commitment to empowering future leaders and entrepreneurs. Key Highlights of the Event: Inaugural Session: This 24-hour event will begin with the introduction of the Incubation Centre by Dr. Ruchi Agarwal, Faculty In-Charge and a warm welcome by Dr. Arvind Sahay,

Director of MDI Gurgaon. proud to provide a platform for visionaries and innovators to come together.

Initiatives like the AGC drive our mission to create a brighter entrepreneurial future, he stated. Dr. Nikhil

Agarwal, MD of FITT, IIT Delhi, emphasised the power of collaboration, saying, “Academic institutions and start-ups can create immense value when they work in tandem, and events like these serve as catalysts. Keynote speaker Mr. Manoj Mittal, CMD of SIDBI, highlighted the need for accessible financing for start-ups: “By connecting innovative minds with resources, we are paving the way for a robust entrepreneurial ecosystem.
