

Management Development Institute (MDI) Gurgaon Announces Open MDPs for March 2025

India 11th February, 2025: [Management Development Institute \(MDI\) Gurgaon](#) is delighted to share the **Open Management Development Programmes (MDPs)** for **March 2025**. These programmes are meticulously curated to empower professionals with essential skills, innovative strategies, and actionable insights to thrive in today's ever-changing business environment.

Renowned for its transformative learning ecosystem, MDI Gurgaon consistently encourages collaboration and innovation, providing participants with a platform to tackle modern business challenges. The March 2025 Open MDPs continue this legacy, offering a dynamic range of programmes designed to meet the unique needs of working professionals.

"MDI Gurgaon is committed to fostering leadership and professional excellence through our carefully designed Management Development Programmes," said Prof Sumita Rai, Dean (Industry Connect) at MDI Gurgaon. *"Our March 2025 programmes are crafted to build competencies that not only enhance individual growth but also drive organisational success. These programmes focus on equipping participants with practical insights and transformative perspectives essential for navigating today's competitive landscape."*

Programmes for March 2025

MDI Gurgaon's Open MDPs for March 2025 include a diverse array of themes aimed at bolstering personal and organisational development:

- **Leadership Communication Through Storytelling and Theatre Techniques**
(March 03 | 3 Days)
Participants will embark on an enriching journey to refine their communication skills using storytelling and theatre-based approaches, enabling them to become impactful leaders and marketers.
- **Strategic Analysis Using Capstone Simulation**
(March 05 | 3 Days)
This programme leverages capstone simulation to help managers develop strategic analysis frameworks and make effective, data-driven decisions.
- **Developing People at the Workplace: Catalyst for Change**
(March 05 | 3 Days)
Designed to build the capabilities of professionals, this programme focuses on developing individuals who can drive change and innovation in their organisations.

Driving Transformational Growth

All programmes are delivered by experienced faculty who blend cutting-edge research with real-world applications. With a focus on interactive methodologies and practical takeaways, participants will leave with enhanced skills and new perspectives to address complex business challenges effectively.

Nomination Details

Interested professionals can self-nominate or nominate colleagues via the official MDI Gurgaon website. The nomination window closes 15 days before the programme start date. As seats are limited, early registration is highly recommended to secure a place in these impactful programmes.

For more information and to submit nominations, please visit the Open Management Development Programmes (MDPs) section on the official MDI Gurgaon website or contact the MDP office at: mdp@mdi.ac.in or **Phone:** 0124-4560004, 4560008, 4560534, 4560346
