

MDI Gurgaon Unveils 13 Cutting-Edge MDPs to Future-Proof Business Leaders

September 2025 Lineup Empowers Executives to Lead with Strategy, Sustainability, and Impact

Gurgaon, India – [Insert Date], 2025: With a legacy of shaping over 100,000 leaders across 54 countries, *Management Development Institute (MDI) Gurgaon* announces its September 2025 suite of **13 transformative Management Development Programmes (MDPs)** designed to empower professionals to lead with agility, foresight, and purpose in an era of constant change.

Curated in response to the evolving global business landscape, these short-term, high-impact programmes address contemporary themes such as **ESG investing, digital marketing, leadership transformation, and climate finance**. With a strong focus on actionable frameworks and cross-sector collaboration, MDI Gurgaon continues to uphold its position as a trailblazer in executive education.

“These MDPs are not just programmes..... they are leadership accelerators,” said Prof. Sumita Rai from MDI Gurgaon. “As industries navigate disruption, our offerings help professionals sharpen their strategic edge, embed ethical leadership, and drive sustainable growth.”
